FURNITURE CATALOG

“Designing your Success. Supplying your Expand.”

ABOUT OSYS

OSYS Supply Pte Ltd is incorporated in Singapore as a provider for office solutions, furniture supply and commercial design & renovation. The brand OSYS was founded by experience people with a strong commitment to continue to provide the right products and design for the modern office environment. Well-known for our sales and after sale services, we believe that we are in the business of getting our clients to come back! With this reputation and culture, we have acquired an intimate understanding and bridges many gaps between us and our customers! We aimed at delighting customer experience and achieving unrivaled level of customer satisfaction, by delivering high perceived value-for-money products and services.

WHY CHOOSE US

OSYS Team is always committed and responsive. We are committed to provide quality products and interior design services to our corporate customers. We want to grow and expand together with our customers and partners.

A modern office interior featuring ergonomic office chairs with white frames and orange seats. The desks are made of light wood and have white privacy screens. Large windows provide a view of a city skyline with various skyscrapers. The office is lit by long, black, rectangular pendant lights. A tall orange partition is visible on the left side of the frame.

ERGONOMIC

Comfortability is top priority when getting the job done. Hence our office chairs are of premium quality to maximize your personal comfort and productivity.
