ABOUT SYS CONCEPTS

OSYS Concepts, established in 2018, is committed to driving positive change in the industry. We manufacture and supply office furniture under our Osys brand, and provide turnkey solutions for offices, warehouses, and the manufacturing sector with our in-house team of professional workers, designers, and draughtsmen.

In addition to serving end consumers, we work with many well-known design firms and contractors locally.

At OSYS Concepts, we believe in doing business honestly—offering the best products and services at affordable rates. We understand the challenge of finding a trustworthy partner for operations, maintenance, and growth support, and we are here to fill that gap.

We are grateful for the trust of over a thousand satisfied customers, many of whom return for our products and services. Our strong foothold in the industry is built on this loyal support. As we grow, we continue to expand our team to deliver even better products, services, and customer experiences.

To Whom It May Concern,

Testimonial for OSYS Concepts Pte Ltd

We are pleased to provide this testimonial for OSYS Concepts Pte Ltd, which completed the renovation of our office premises last year, as well as a recent follow-up project.

On both occasions, their team delivered excellent service, demonstrating professionalism, efficiency, and attention to detail. The works were completed according to the agreed proposals, and the results fully met our expectations.

We especially appreciate their responsiveness, quality workmanship, and ability to complete projects on schedule. It has been a pleasure working with them, and we are very satisfied with the outcome of both renovation phases.

We highly recommend OSYS Concepts to anyone seeking reliable and high-quality renovation services.

Sincerely,
War War Hlaing
Accounts, HR, and Admin Manager

Attention : Kovin Lau
Sales Personnel

Dear Kovin

We are pleased to commend the excellent A&A works carried out by OSYS Concepts Pte Ltd.

You and your team demonstrated a high level of professionalism, technical competence and commitment throughout the duration of the project.

All deliverables were completed on schedule and to a standard that exceeded expectations. Communication was clear and timely and any challenges were addressed proactively and effectively.

We are highly satisfied with the outcome and would work with you for future projects.

Yours sincerely

OUR TEAM

KVIN LAU
DIRECTOR & FOUNDER

Kvin Lau is an accomplished business leader with over a decade of **global experience in mechanical engineering and automotive components**. Rising from Business Representative to Senior Global Business Unit Manager at **Tatly Technology (Suzhou) Co., Ltd.**, he led multimillion-dollar projects, established two manufacturing plants from the ground up in China (10,000 sqm) and Indonesia (2,000 sqm), and mastered every stage from design to full-scale operations.

His **expertise spans TS16949 automotive systems**, project development, production, quality, supply chain, and logistics. Known for his hands-on approach, Kvin has designed **entire plant infrastructures—electrical systems, HVAC, water and waste piping**, compressed air networks, and heavy machinery foundations—while working with clients across Japan, the US, Germany, and beyond.

Today, as Founder of Osys Concepts, he brings the **same vision, precision, and global perspective** to deliver engineering solutions that perform flawlessly across borders.

JOE CHOO
DIRECTOR & FOUNDER

Joe Choo with **almost 20 years of corporate business experience**, have built a strong foundation in **leadership, strategic planning, and operational excellence** across multiple industries.

With last **9 years of specialized experience in office system furniture solutions and commercial design & build**, he has developed a deep understanding of space planning, ergonomic workplace design, and turnkey project execution for corporate offices, retail, and institutional clients.

His approach **combines strategic vision, hands-on project management**, and a keen eye for emerging trends in workplace design. He thrives on transforming client needs into functional, inspiring spaces that drive business success.

KENNETH LAU
FOUNDER

Kenneth Lau began his journey in the industry **by selling office furniture**, where he discovered his passion for helping customers find the right solutions for their workplaces. This drive to **support clients naturally expanded into a love for design**, inspiring him to take on **interior design and renovation projects**.

With **over 15 years of experience**, Kenneth blends creativity with practicality to deliver thoughtful, functional spaces. His **leadership is built on honesty, reliability, and a commitment to excellence**—ensuring every client receives both quality design and peace of mind.
